#### **QUOTE OF THE DAY**

"To dance is to be out of yourself. Larger, more beautiful, more powerful. This is power, it is glory on earth and it is yours for the taking." – Agnes de Mille

"It is not enough to have a beautiful voice. What does that mean? When you interpret a role, you have to have a thousand colors to portray happiness, joy, sorrow, fear. How can you do this with only a beautiful voice? Even if you sing harshly sometimes, as I have frequently done, it is a necessity of expression. You have to do it, even if people will not understand. But in the long run they will, because you must persuade them of what you're doing." – Maria Callas

"Although the world is full of suffering, it is full also of the overcoming of it. My optimism, then, does not rest on the absence of evil, but on a glad belief in the preponderance of good and a willing effort always to cooperate with the good, that it may prevail." – Helen Keller

"Piety is like garlic: a little goes a long way." – Rita Mae Brown

"Spilling your guts is just exactly as charming as it sounds." – Fran Lebowitz
